Asia Index Private Ltd. launches BSE 200 Equal Weight

MUMBAI, SEPTEMBER 27, 2024: Asia Index Private Ltd., a wholly owned subsidiary of BSE, today announces the launch of a new strategy Index- the BSE 200 Equal Weight.

BSE 200 Equal Weight index comprises the same constituents as BSE 200 Index (free float) and provides equal weightage to all the constituents in BSE 200 index. This strategy will have the effect of assigning 50% weightage each to both large cap and midcap stocks.

The index has a base value of 1274, and the first value date is 1st August 2006. It is reconstituted semi-annually and rebalanced quarterly.

This new index can be used for benchmarking of PMS strategies, MF Schemes and fund portfolios. It can also be used for running passive strategies such as ETFs and Index Funds as well as gauging the performance of companies in the aforesaid sectors. Investors can now access a broader spectrum of market opportunities, further enriching their investment strategies with this latest addition to BSE's suite of indices.
