## Asia Index Private Ltd. launches two new indices

**MUMBAI, October 11, 2024:** Asia Index Private Ltd., a wholly owned subsidiary of BSE, today announced the launch of two indices namely BSE Internet Economy and BSE Capital Markets & Insurance.

**BSE Internet Economy** – The index measures the performance of companies that mostly operate by leveraging digital platforms and whose business operations are digital first and significantly depend on the internet. The index aims to identify companies that directly or indirectly enable digital transactions related to retail investments and consumption, predominantly within the selected industry groups. The companies are selected from the relevant industries based on free-float market capitalization from the BSE 500 Index.

The index has a base value of 1000, and the first value date is 23rd June 2014. The index is reconstituted semi-annually and rebalanced quarterly.
