Asia Index Private Ltd. launches BSE SENSEX Equal Weight

MUMBAI, November 05, 2024: Asia Index Private Ltd., a wholly owned subsidiary of BSE, today announces the launch of a new index- BSE SENSEX Equal Weight.

BSE SENSEX Equal Weight index comprises the same securities as BSE SENSEX Index (free float market capitalization-based Index). It provides equal weightage to all the constituents in the BSE SENSEX. It consists of the top 30 companies across all major industries in India.

The index has a base value of 5529.74, and the first value date is 21st June 2004. It is reconstituted semi-annually and rebalanced quarterly.

This new index can be used for running passive strategies such as ETFs and Index Funds as well as gauging the performance of top companies across all the major sectors in India. It can also be used for benchmarking of PMS strategies, MF Schemes and fund portfolios. Investors can now access a broader spectrum of market opportunities, further enriching their investment strategies with this latest addition to BSE's suite of indices.
